SIROMER 504MK CAB

The next generation Siromer 50hp MK range tractor is powerful, versatile and productive.

Engineered to bring together all the traits you need for your daily work in the field, on the farm or around the smallholding.

Siromer's latest range comes with the same great quality and service Siromer have provided since 1999.

The Siromer 504 MK tractor comes with a fully airconditioned cab, fitted with a radio as standard and features a shuttle synchromesh gearbox.

This high spec tractor is finished with supersteer front mudguards and trailer brakes.
